BISEXUAL/PANSEXUAL WORKSHOP

Monday, March 23, 2015, 7:00 p.m.
Witherspoon Student Center, Room 201

Light refreshments will be provided.

The GLBT Center invites you to attend the Bisexual/Pansexual Workshop.

Participants will learn about:

- stigmatization that bisexual people often face from both the lesbian/gay community as well as the heterosexual community
- how pansexual identities are becoming more prevalent in non-gender-binary identities
- how to create safe spaces for bisexual and/or pansexual people

During the workshop, we’ll also discuss statistics, resources (both on- and off- campus), and ways to be supportive of those who are coming out as bisexual or pansexual.
